RED BUD INDUSTRIES SCHOLARSHIP

Red Bud Industries is one of the most respected manufacturers of Coil Processing Equipment in the world. As part of the celebration of its 50th Anniversary in 2009, Red Bud Industries has established a \$5,800 annual scholarship to Ranken Technical College. Their goal is to remain a leader in their industry by helping the next generation of local students gain the skills necessary to build world class equipment for a global economy.

The Red Bud Industries Scholarship will be awarded annually to a student who has been accepted for admission into Ranken Technical College for the fall semester. This scholarship will apply only to first year tuition expenses, \$2,900 per semester, and cannot be renewed. A 3.0 GPA must be earned in the fall semester to renew the scholarship for the spring semester.

Eligible Applicants:

Selection will be based on the following criteria:

- Must be enrolling full-time
- Must be enrolling in one of the following programs: Control Systems Technology, Electrical Systems Design Technology, Electrical Automation Technology, Industrial Technology, or Precision Machining Technology.
- High school class rank after seven semesters (upper 50% of class)
- High school grades, with evaluation of difficulty of coursework (3.0/4.0 – 3.8/5.0)
- Score on ACT and/or SAT will be considered by selection committee
- Activities in high school/community involvement
- Two letters of recommendation from high school teachers describing the applicant's academic potential
- Satisfactory completion of the application
- Quality of responses on application

Please submit your application, two letters of recommendation on high school letterhead from high school teachers and an official high school transcript to the following:
