

Basic Art & Advanced Drawing

- 2 Pack Pink Eraser
- Thin tip sharpie markers at least 2 we do use these often so if you buy the bigger pack of 5 that is ok too.
- Ruler- plastic rulers will work but the metal ones are best and about 18" verses 12".
 - The metal rulers are located in the office supply section in the back of Walmart.

Please put your name on the back of all your supply's.

We will label your markers with masking tape in class.

I can't wait to see everyone and start creating new works of art this year!
